Pool...
Now we'll be able to do this...and THAT... anything we like, as much as we want!
No...
Look at me
I remember asking him before what he wanted to do if he dated someone...
Something about going home...in uniform...
Wait, no...if I come on too strong, he'll probably just pull away from me, right?
I'm coming for you...!
Just you wait, Haru!
And that's how our story begins...

Announcing that no one's home the minute we walk through the door? What is this, a manga? This stupid idiot Haru can be such a cute little devil with his suggestive wording.

I WANT TO FEEL THE WATER.
